

Dear CBC Customers and Friends:

As this unimaginable year comes to an end, Citizens Bank of Chatsworth (CBC) is proud to be here for you every step of the way, through the good and bad times, just like we have for over a hundred years.

As many of you are aware, a new round of funding for the Paycheck Protection Program (PPP) has been approved. CBC wants to let you know that **we will absolutely be participating in this program to assist our loyal customers**, bringing the same commitment, innovation and sense of urgency.

The Small Business Administration (SBA) has not finalized all the details regarding qualifications and an application. Once all the details and specifics have been completed, CBC will begin accepting applications for this round for all clients who qualify under the SBA's guidelines. In making your decision to apply for this latest round of PPP, please consult with your legal, tax, accounting, or financial advisors, as necessary.

Once the application is available from the SBA, you can either obtain a copy from us or get it from our website at <https://www.BankatCBC.com>. If you have any questions about the program, or if there is any other way we can assist you, please feel free to contact us via email or phone.
